Student Class

- Student Class is a collection of student schedule information that is used by different program areas and the Georgia Professional Standards Commission (GaPSC). Student Class application opens mid July of each school year.

- Student Class Reporting Schedule:

  - Cycle 1 – September 24 – October 22
  - Cycle 2 - February 27 – March 26
  - Cycle 3 – May 7 – June 9

Student Class

Two phases of Student Class

1 – Student Class for SLDS (Ongoing)
- Student schedules appear in SLDS.
- Links teachers and student, for teacher access to SLDS records.
- Student schedules appear in GUIDE.
- Data does not have to be error free.

2 – Student Class Data Collection
- Data collected and signed off 3 times each school year.
- Data sent to GaPSC for In-field application.
- Cross checks with FTE, SR and CPI.
- Has to be error free when signed off.

Student Class

Benefits of uploading Student Class prior to a collection:

- Teachers are able to view class rosters along with historical information on their students within SLDS.

- Verify teacher ID's are correct. (all 0's)

- Verify GIFTED, ESOL, EIP, and Special Ed. delivery models for each student that has a service.

- Verify **PRIMARY AREA** of SWD students.

- Verify **ALTERNATE SYSTEM CODE** and **ALTERNATE SCHOOL CODE** are correct for students in an alternate setting.

- Verify **STUDENT CLASS START DATE** and **STUDENT CLASS END DATE**.

- Verify course numbers are accurate.

Student Class

- Using Student Class Data for Data-Driven Decision Making.

- Certified Personnel Information (CPI)
- Professional Standards Commission (PSC)
- Accountability
- Policy
- Data request
- Evaluation of Education Programs
- Responding to Legislative request
- Responding to various data request
- To meet federal reporting requirements
- In-Field System
- Teacher Keys Effectiveness System/ Leader Keys Evaluation System (Student Growth and Academic Achievement) (TKES/LKES)

Student Class Reminders

- Student Class extract file should contain all active classes, completed classes, and dropped classes. Future classes may be sent but are not required to be sent.

- Student Class is not a point in time collection. Course records sent are not 'as of a specific reporting date'.

- If a student is in a class, withdraws from school, then re-enrolls and is placed back in the same classes, the **CLASS START DATE** for the second enrollment must be the date of the second enrollment, not the original **CLASS START DATE**.

- PK course special ed. numbers are PK.801xx, PK.802, PK.901, PK.902

- **COURSE TEACHER CODE** all 5s (555555555) cannot be reported as a COURSE TEACHER CODE in SC, or CPI.

Student Class Reminders

- **ADDITIONAL COURSE TEACHER CODE 1-3** cannot be all 2's, 3's, 4's, 616-16-1616, 777-00-xxxx,770-00-xxxx, 121-21-2121, 8's and 9's. (Student Class Data Element Detail)

TEACHER CODEs	Description
222222222	For teachers employed through the Georgia Virtual School Program (GAVS). Use the teacher's IDENTIFIER as the COURSE TEACHER CODE for GAVS courses if the IDENTIFIER is known. COURSE TEACHER CODE of all 2s means there is a teacher providing instruction who serves as the teacher of record for the students taking the course; however, the IDENTIFIER is not available to the schools for state reporting.
333333333	For teachers of virtual or online/distance courses that are not in your district. Use the teacher's IDENTIFIER as the COURSE TEACHER CODE for virtual courses if the IDENTIFIER is known. COURSE TEACHER CODE of all 3s means there is a teacher providing instruction who serves as the teacher of record for the students taking the course; however, the IDENTIFIER is not available to the schools for state reporting.
444444444	For instruction where there is no teacher (vacancy), no long-term substitute teacher, and no contracted worker. Use this COURSE TEACHER CODE for any of the following: • Online/distance learning/virtual courses that provide instruction for students. This could be self-directed or facilitated computer-based or digital learning. No direct instruction is provided by a teacher. • Students that earn credit in lieu of taking the course
77700xxxx *	For PSO/Accel or Dual HOPE courses, where xxxx is the four-digit number identifying the college / university where the student took the PSO course. The list of college/university codes is provided on the website with the Student Record documentation.
77000xxxx	For PSO courses, the COURSE TEACHER CODE should be a nine-digit number with format: 77700xxxx or 77000xxxx, where 'xxxx' is the four-digit number identifying the college/university where the student is taking the PSO course. When a DUAL ENROLLMENT course number is reported with a '4' in the 5th digit past the decimal then ALTERNATE SYSTEM CODE = 770 and ALTERNATE SCHOOL CODE = XXXX (college 4 digit number used for the COURSE TEACHER CODE).
121-21-2121	Short Term Subs – Used when there is a vacant position of less than 20 days. Not reported in CPI.
xxx-xx-xxxx	Long Term Subs – Use the SS# of the Long Term Sub (LTS) when reporting. LTS are reported in CPI. Where xxx-xx-xxxx is the 9 digit social security number.

NOTE: COURSE TEACHER CODE used when: 1 - Daycare students report IEP services and has an enrollment record in the LEA. 2 - The Head Start or GA PK teachers are hired by someone other than the LEA – EXAMPLE.: GA PK teachers are employed by Kids R Kids not the LEA. Students have an enrollment in the LEA. The LEA sends the Special Education teacher to provide IEP services.

Student Class

The program or alternate school where the student is taking a class or classes is reported in the field **ALTERNATE SYSTEM CODE** and **ALTERNATE SCHOOL CODE** field.

From a Portal Message 1/7/2020

- **To accommodate the In-Field Application programming, the reporting of the Special Ed Delivery Model "7" has been modified as follows:**

  When reporting the Special Ed Delivery Model "7" in Student Class, the Special Ed teacher must be reported in the Additional Teacher field and the content teacher must be reported as the primary teacher. With this modification, all Special Ed delivery models now have the same requirement of content teacher reported as the primary teacher and the Special Ed teacher reported as the additional teacher.

  The Student Class Delivery Model documentation has been updated with this information and posted to the web for your viewing.
