STUDENT CLASS

**Presented By:
Sharon Armour**

Student Class

- **Student Class is a collection of student classes and final grades that is used by different program areas and agencies. Student Class opens mid July of each current fiscal year.**
- **Benefits of uploading Student Class prior to a collection:**
 - **Teacher rosters through SLDS**
 - **Check Course teacher codes (all 0's)**
 - **Check GIFTED, ESOL and EIP delivery models for each student that has a service.**
 - **Check Primary Area of students.**
 - **Check ALTERNATE SYSTEM CODE and ALTERNATE SCHOOL CODE is correct for students in an alternate setting.**
 - **Check STUDENT CLASS START DATE and STUDENT CLASS END DATE**
 - **these dates are bounced off FTE Survey.**
 - **Check course numbers.**

Student Class

- **Different Agencies and Programs that use Student Class data.**
- **Teacher Keys Effectiveness System/ Leader Keys Evaluation System (Student Growth and Academic Achievement) (TKES/LKES)**
- **Certified Personnel Information (CPI)**
- **Professional Standards Commission (PSC)**
- **Accountability**
- **Policy**
- **Data request**
- **Evaluation of Education Programs**
- **Responding to Legislative request**
- **Responding to various data request**
- **To meet federal reporting requirements**
- **In-Field System**

Student Class

- **Districts can continue to upload to Student Class after collection is over. (About 60 districts upload prior to and after a collection is over).**
- **Students reported in FTE as Gifted, ESOL, Special Ed and EIP and districts received funding, however in Student Class we did not get the GIFTED, EIP or ESOL DELIVERY MODEL, PRIMARY AREA or INCLUSION CODE. Most general comment was ‘student was scheduled incorrectly’.**
- **Students reported in SR as Program Type = ‘03’ = Charter Career Academy, but students were not reported with a course record with ALTERNATE SYSTEM and ALTERNATE SCHOOL CODE filled in for Charter Career Academy in Student Class.**
- **Student Class – Student who is marked as GAA in SR Student, must have a xx.8 course in SC. (EOY only).**
-

Student Class

SC extract file should contain all active classes, completed classes, and dropped classes. Future classes may be sent but are not required to be sent.

Student Class is not a point in time collection. Course records sent are not 'as of a specific date'.

If a student is in a class, withdraws from school, then re-enrolls and is placed back in the same classes, the CLASS START DATE for the second enrollment must be the date of the second enrollment, not the original CLASS START DATE.

PK course special ed. Valid course numbers are now: PK.001xx, PK.002xx, PK.801xx, PK.802, PK.901, PK.902

ADDITIONAL COURSE TEACHER CODE 1-3 cannot be all 2's, 3's, 4's, 616-16-1616 or 777-00-xxxx.

COURSE TEACHER CODE all 5s (55555555) cannot be reported as a COURSE TEACHER CODE in SC, also in CPI.

Student Class

We will be collecting PK courses in FY20 for In-Field determination per Georgia's ESSA requirements.

PK.00100xx – Pre-K Literacy;

PK.00200xx – Pre-K Numeracy;

Every PK student must have 2 courses. If PK.80100xx, PK.901xx, PK.802xx or PK.90200xx, is sent, then the student must have a PRIMARY AREA on that same course.

PK.80100xx – Special Ed. Literacy

PK.90100xx – Special Ed. Literacy

PK.80200xx Special Ed. Numeracy

PK.90200xx Special Ed. Numeracy

Student Class

Assign a Special Education teacher to a Special Education course:

- **PK.80100xx and PK.901xx – Special Ed. Literacy;**
- **PK.80200xx and PK.902xx – Special Ed. Numeracy**

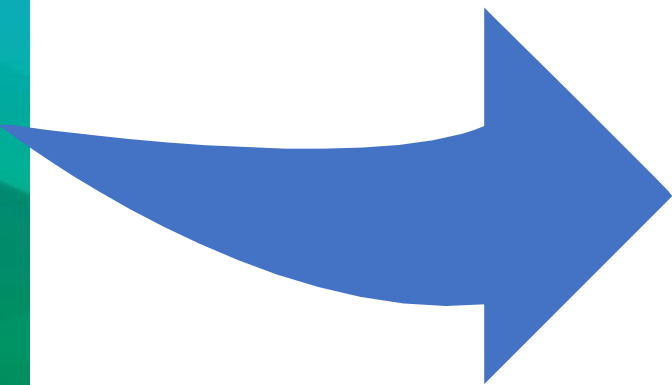

Teachers of courses PK.801xx, PK.901xx, PK.802xx and PK.902xx will be evaluated in the In-Field application to determine their qualifications for the Special Education services provided (Special Education certification).

Student Class

Student Class PK Courses

- **Do not send a course record for therapy services, for example speech therapy. (A PK course with a Speech therapist as the Primary Teacher would appear as out-of-field when evaluated for Special Education certification or 'content' certification in Early Childhood Education/Birth to Age 5.**
- **If the only service provided to a student is speech therapy, do not send any courses in SC.**

Student Class

- Data collections data should be only reported from the ‘home/enrolled’ school.
 - If a student is taking classes at a different school other than the ‘home/enrolled’ school, then the SC course records should be submitted with the system and school in the ALTERNATE SYSTEM and ALTERNATE SCHOOL CODE fields from the school providing instruction.
 - **COURSE TEACHER CODE 90% ATTENDANCE, ADDITIONAL COURSE TEACHER CODE 90% ATTENDANCE (1,2 OR 3). For EOC and EOG Math and ELA courses only. Grades 3-12**
- **New Data element in SR System which will effect Student Class - TKES 90% TEACHING**
- **Valid values: A = All teachers included**
- **C = Consider time taught individually. (blank is not allowed).**
- **For EOC and EOG Math and ELA courses only: If TKES 90% TEACHING = A in SR System, then COURSE TEACHER CODE 90% ATTENDANCE as well as any non-blank ADDITIONAL COURSE TEACHER CODE 90% ATTENDANCE (1, 2, or 3), can be either Y or N (blank is allowed).**
- **For EOC and EOG Math and ELA courses only: If TKES 90% TEACHING = C in SR System, then COURSE TEACHER CODE 90% ATTENDANCE as well as any non-blank ADDITIONAL COURSE TEACHER CODE 90% ATTENDANCE (1, 2, or 3), must be either Y or N (blank not allowed).**

Student Class

SR System – If the 90% TEACHER ATTENDANCE data element is marked:

A = All teachers included;

C = Consider time taught individually;

SC	GTID	Student name	Course #, sect., etc.	Teacher ID / Name	Teacher 90%	Addtl Tchr 1	Addtl Tchr 1 90%
	123...	Jones, Jon	23.xxx....	321../Smith, Ashley	Y	991../Able, Sue	Y
	123...	Jones, Jon	23.xxx....	252../Bell, Anna	N	771../Hughes, Al	Y
	123...	Jones, Jon	27.xxx....	466../Lee, Chris	blank		
	123...	Jones, Jon	27xxx....	259../Sanders, Katie	Y		
	123...	Jones, Jon	23.xxx....	255../Sanchez, Matt	N		

All seven Teachers will have a Student Growth Percentile calculated based on state assessment data. So blanks will not get an error and teachers with an 'N' will have an SGP calculated.

Student Class

SR System - – If the 90% TEACHER ATTENDANCE data element is marked:

A = All teachers included;

C = Consider time taught individually;

SC

GTID	Student name	Course #, sect., etc.	Teacher ID / Name	Teacher 90%	Addtl Tchr 1	Addtl Tchr 1 90%
123...	Jones, Jon	23.xxx....	321../Smith, Ashley	Y	991../Able, Sue	Y
123...	Jones, Jon	27.xxx....	252../Bell, Anna	N	771../Hughes, Al	Y
123...	Jones, Jon	23.xxx....	466../Lee, Chris	Blank (error)		
123...	Jones, Jon	27.xxx....	259../Sanders, Katie	Y	663../Heinz, Juli	Blank (error)
123...	Jones, Jon	23.xxx....	255../Sanchez, Matt	N		

Only Teachers that have a 'Y' will have a Student Growth Percentile calculated based on state assessment data. Blanks are not allowed for a teacher and will get an error.
